

INTEROFFICE MEMORANDUM

DATE: October 8, 1984

TO: BRIDGE DESIGN PERSONNEL
FROM: Veral Pinkerton, Bridge Engineer
SUBJECT: Liveload for Bridges

Effective immediately the liveload for **all bridges**, including county projects, **shall be HS20**. Completed jobs should not be changed. On jobs currently in the design stage, change to HS20 liveload when it can be done without loss of design or detailing time.
